### ***ADMINISTRATION***

**Ms. Yamila M. Carballo, Principal  
Mr. Gonzalo Raventos, Assistant Principal  
Mr. Manuel Ruiz, Assistant Principal  
Ms. Ana Varona, Assistant Principal**

### ***MISSION STATEMENT***

The mission of The English Center is to develop students' vocational, social, technological, physical, and emotional potential in a wholesome, self-paced, supportive environment. This endeavor encourages them to become lifelong learners and contributing, ethical citizens in a multi-cultural and changing world.

### ***VISION STATEMENT***

The English Center is a full-service adult education center that will continuously strive to provide access to challenging literacy, career/technical, and community education while building learning communities designed to maximize student success.

### ***PRINCIPAL'S MESSAGE***

Please accept my warmest welcome to The English Center (TEC). Functioning in a tropical and diverse South Florida community, The English Center sustains an accepting environment which continues to maintain singularly impressive results.

The English Center has a rich history within the educational annals of the school district. It is governed by the School Board of Miami-Dade County through its Superintendent, Mr. Alberto M. Carvalho. The English Center reports to the Office of Adult/Technical Colleges and Educational Opportunity and Access.

The school serves more than 6,000 students enrolled each year in Adult General Education (AGE) and Career/Technical Education (CTE) programs. The school is accredited by the Commission of the Council on Occupational Education (COE).

As you browse through the catalog, you will find that a broad range of the courses and programs offered at The English Center meet the educational needs of the citizens of the community in a very supportive way.

We greatly appreciate your interest in The English Center and hope to see you on our campus very soon.

*Educationally yours,*

*Yamila M. Carballo*

Principal**

**MIAMI-DADE COUNTY  
SCHOOL BOARD  
ANTI-DISCRIMINATION POLICY**

The School Board of Miami-Dade County, Florida adheres to a policy of non-discrimination in employment and educational programs/activities and strives affirmatively to provide equal opportunity for all as required by:

**Title VI of the Civil Rights Act of 1964** - prohibits discrimination on the basis of race, color, religion, or national origin.

**Title VII of the Civil Rights Act of 1964**, as amended - prohibits discrimination in employment on the basis of race, color, religion, or national origin.

**Title IX of the Education Amendments of 1972** - prohibits discrimination on the basis of gender.

**Age Discrimination in Employment Act of 1967 (ADEA)**, as amended - prohibits discrimination on the basis of age with respect to individuals who are at least 40.

**The Equal Pay Act of 1963**, as amended - prohibits gender discrimination in payment of wages to women and men performing substantially equal work in the same establishment.

**Section 504 of the Rehabilitation Act of 1973** - prohibits discrimination against the disabled.

**Americans with Disabilities Act of 1990 (ADA)** - prohibits discrimination against individuals with disabilities in employment, public service, public accommodations, and telecommunications.

**The Family and Medical Leave Act of 1993 (FMLA)** - requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to “eligible” employees for certain family and medical reasons.

**The Pregnancy Discrimination Act of 1978** - prohibits discrimination in employment on the b

basis of pregnancy, childbirth, or related medical conditions.

**Florida Educational Equity Act (FEEA)** - prohibits discrimination on the basis of race, gender, national origin, marital status, or handicap against a student, or employee.

**Florida Civil Rights Act of 1992** - secures for all individuals within the state freedom from discrimination because of race, color, religion, sex, national origin, age, handicap, or marital status.

**Title II of the Genetic Information Nondiscrimination Act of 2008 (GINA)** – prohibits discrimination against employees or applicants because of genetic information.

**Boy Scouts of America Equal Access Act of 2002** – no public school shall deny equal access to, or a fair opportunity for groups to meet on school premises or in school facilities before or after school hours or discriminate against any group officially affiliated with Boy Scouts of America or any other youth or community group listed in Title 36 (as a patriotic society).

**Veterans** are provided re-employment rights in accordance with P.L. 93-508 (Federal Law) and Section 295.07, (Florida Statutes), which stipulates categorical preferences for employment.

**School Board Policies 1362, 3362, 4362, and 5517** prohibit harassment and/or discrimination against students, employees, or applicants on the basis of sex, race, color, ethnic or national origin, religion, marital status, disability, genetic information, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference, and other legally prohibited basis. Retaliation for engaging in a protected activity is also prohibited.

## GENERAL INFORMATION

### HISTORY

The English Center (TEC) is part of the Miami-Dade County Public Schools. It was established in 1962 as a special center for English instruction to address the needs of the large numbers of refugees arriving to the shores of South Florida. Although the center continued to fulfill the needs for thousands of immigrants from many different countries, the demand to diversify its education offerings became imminent. The growing population surrounding the center needed career/technical training to compete in the workforce. Rising to the challenge to fill this need, TEC embarked on its quest of offering quality career/technical training. Thus, evolved the school's motto: *There is more than English at The English Center*. TEC remains a gateway to education and opportunities for arriving immigrants, as well as a symbol of pride and a reminder to many Americans of their first educational and cultural experience in the United States.

### FACILITIES

The English Center is a full-service adult education center and technical college that offers career/technical education and Adult General Education programs on a full-time and/or a part-time basis.

The 380,000 square foot campus houses a faculty and staff of almost 200 people, including administrators, counselors, teachers, clerks, paraprofessionals, security, and custodians. The school operates Monday - Thursday from 6:00 a.m. to 10:15 p.m., Friday from 6:00 a.m. to 4:00 p.m., and Saturday and Sunday from 8:00 a.m. to 3:30 p.m.

### PROGRAM OVERVIEW

Career/technical education post-secondary certificate programs are offered in five different career clusters: Architecture and Construction, Art, A/V Technology and Communications, Education and Training, Human Services, and Information Technology. The Adult General Education (AGE) curriculum includes the following: English for Speakers of Other Languages (ESOL), Adult Basic Education (ABE), Citizenship, and General Educational Development (GED) which is test preparation to obtain a high school diploma and basic skills remediation. Guidance counselors assist all students. Case managers work on introducing new students to Career Pathways, a program which assists with future career choices, providing support and follow-up to ensure their progress.

### OPEN-ENTRY/OPEN-EXIT PROGRAMS

Programs are open-entry/open-exit which means that students may enroll at any time during the trimester. Prospective students are encouraged to check with a counselor or instructor to determine the specific admission requirements of their program of interest.

### BOOKSTORE

A currently enrolled student may purchase books and other school-related items in the school bookstore. A valid TEC student identification (ID) badge and current schedule are required to make purchases. The bookstore is located in the "H" building. Hours of operation are Monday through Thursday from 8:30 a.m. to 8:30 p.m. On Fridays, Saturdays, and Sundays the hours of operation are from 8:30 a.m. to 12:00 p.m. Cash, credit cards, and debit cards are accepted. Checks are not accepted as a form of payment. All sales on all items are final.

## LOST AND FOUND

Articles that are found are taken to the main office. Proper student identification is required for lost articles to be returned.

## CHILD CARE CENTER

Childcare services are offered for staff members and students with children between the ages of three to twelve. For eligibility and guidelines contact the Child Care Center Office, located in Room A-1.

## DINING COURTYARD

Vending machines and microwave ovens are conveniently located across from the “B” building in the dining courtyard. A variety of snacks and cold beverages are available for purchase.

## MEDIA CENTER

The media center’s hours of operation are Monday through Thursday from 8:00 a.m. to 8:00 p.m. and on Friday from 8:00 a.m. to 1:00 p.m., on Saturday from 8:30 a.m. to 3:00 p.m., and Sunday from 8:30 a.m. to 3:00 p.m. It is located in Room B-5. The media center allows students who are currently enrolled to research academic subjects, to access information on current events, and to review reference materials for school projects. An on-line Career Resource Center is available along with free resume writing assistance. In order to use the media center, students are required to provide valid student identification. Students using computers with Internet access must adhere to the Miami-Dade County Public Schools’ Acceptable Use Policy for Internet Use.

*(Copies are available in the media center.)*

## COPYRIGHT POLICY

TEC adheres to Miami-Dade County School Board Policy “2531 - Copyrighted Works” in compliance with copyright laws and fair use guidelines.

Students are reminded that a copyright is the legal protection of intellectual property, in whatever medium is provided for by the laws of the United States, to the owners of a copyright. Types of works that are covered by copyright law include, but are not limited to, literary, dramatic, musical, artistic, pictorial, graphic, film, and multi-media works. Many people understand that printed works such as books and magazine articles are covered by copyright laws, but they are not aware that the protection extends to software, digital works, and unpublished works and covers all forms of a work, including its digital transmission and subsequent use. Any unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject an individual to civil and criminal liabilities. For more information regarding copyright expectations and penalties, please visit <http://www.copyright.gov> the U. S. Copyright Office’s website.

## TECHNOLOGY SUPPORT

There are various computer laboratories that facilitate learning. They are stationed in Adult General Education (AGE) classrooms, career/technical education classrooms, and the media center. Computers for students’ use are also located in rooms C-1 and D-1 and in the H wing. The media center staff can assist students with logging in to computers, accessing their student portal, and using online resources. Our computer technicians are also available to provide students with technical support as needed.

## SECURITY

Security personnel ensure the protection and safety of students, faculty, and staff including use of the Raptor Visitor Management System. The English Center has a security plan detailing procedures to follow in the event of both internal and external emergencies. Both security lockdowns and fire drills are held periodically throughout the year, as per school district mandates. Signs for evacuation routes in case of an emergency are posted in every classroom, lab, and office throughout the campus.

## STUDENT IDENTIFICATION

Students must wear a current and valid TEC student identification badge (ID) visible at all times. The badge must be shown upon request by any school official. Student identification badges are obtained for a \$5.00 fee at the time of registration for classes. A replacement student identification badge, which can be obtained in the registration office, also costs \$5.00. Disciplinary action can be taken against students not having and/or not displaying a valid student identification badge.

## PARKING

School bus transportation is not provided for students; however, local buses and Metrorail services are available in close proximity to the school. Contact the office of the Miami-Dade Transit Department for times and stop locations. The telephone number is (305) 891-3131 or check the website [www.miamidade.org/transit](http://www.miamidade.org/transit). The school provides several large free parking areas for currently enrolled students and visitors. In addition, clearly marked handicapped parking spaces are available in each parking area.

August 2, 2022	End of Trimester
August 3, 2022	Teacher Planning Day

No classes are scheduled on holidays, recess days, and teacher planning days.

## STUDENT SERVICES

### ADMISSIONS

Any person 16 years of age or older, officially withdrawn from the K-12 program in Miami-Dade County Public Schools, may enroll in programs offered through TEC. As one of the Miami-Dade County Public Schools, The English Center adheres to a policy of non-discrimination and strives affirmatively to provide equal opportunity to all potential and current students.

Career/technical education (CTE) students who wish to enter programs of 450 clock hours of instruction or more must complete a basic skills examination within the first six (6) calendar weeks after admission into the program. The following exemptions from meeting basic skills testing requirements apply:

- 1) Students who possess a college degree at the associate of applied science level or higher;
- 2) Students who entered 9th grade in a Florida public school in the 2003-2004 school year, or any year thereafter, and earned a Florida standard high school diploma;
- 3) Students who are serving as active-duty members of any branch of the United States Armed Services shall not be required to take the usual placement test and shall not be required to enroll in developmental education;
- 4) Students who pass a state or national industry certification or licensure examination as delineated in the Basic Skills Licensure Exemption List found at [www.fldoe.org](http://www.fldoe.org), and aligned to the career/technical education program in which the student is enrolled;
- 5) Adult students enrolled in an apprenticeship program that is registered with the Florida Department of Education in accordance with the provisions of Chapter 446.
- 6) Students with disabilities may request testing accommodations, if they provide written documentation verifying their disability or may be exempted from meeting the basic skills requirements.

Prospective students may register directly for many courses that do not have pre-entrance requirements by completing registration. CTE students pay a \$15.00 application fee each trimester (with the exception of tuition exempt students) and a \$5.00 student ID fee, plus any tuition fees. For certain post-secondary programs, prospective students must counselor prior to enrollment because of additional admissions requirements. Refer to program requirements. Students enrolling in Adult General Education programs are required pay a \$5.00 non-refundable testing fee in order to take prior a basic skills test for placement, prior to registration, which will determine the appropriate level of study.

It is the policy of TEC to check the validity of all high school diplomas submitted for admission. Validity will be confirmed as follows:

- Contact the school directly and ask detailed questions about courses, guarantees, and accreditation.
- Confirm that any information provided by the school can be verified with an official transcript.
- Check the registration of the school with the Florida Department of Education.
- Check with the State Attorney General's Office for complaints or legal action against the school.
- Confirm the standing of the school with the Better Business Bureau.

## COUNSELING

TEC offers a comprehensive guidance program in order to address the personal, social, educational, and career needs of all students. The counseling staff is well-trained and offers personalized services to each student. A guidance counselor is available Monday through Thursday 8:30 a.m. to 8:00 p.m. and on Fridays from 8:30 a.m. to 1:00 p.m.

In addition, TEC is a part of the Career Pathways Initiative. There are case managers who provide orientation, support, and follow-up for entering students. They are available in the main office by appointment.

## SERVICES FOR STUDENTS WITH DISABILITIES

The student services department offers services for students with special needs. Students must see a guidance counselor for more information about available programs and services in the Guidance Office.

## STUDENT HEALTH

TEC has no student health facilities or personnel to render medical assistance of any type. If a student has a medical problem that might result in an emergency situation, the student should inform the instructor of the condition when initially entering the class. If a student emergency occurs, school officials will call fire rescue, whose personnel will make the decision as to the need for an ambulance. If an ambulance is dispatched, the student requiring medical attention is responsible for payment.

## ATTENDANCE POLICY

All students are expected to attend class regularly and as scheduled. Attendance is maintained by the teacher on a daily basis through an electronic grade book. Students who fail to report to class during the first three (3) days of their initial registration will be withdrawn as a *no-show*. All career/technical education students who accumulate four (4) consecutive absences will be withdrawn from class.

## TRANSFER POLICY

Students may transfer from one program to another program within the institution or from other institutions by obtaining the recommendation of counselors and instructors.

## WITHDRAWAL POLICY

Withdrawal of students occurs upon the sixth (6) consecutive absence for Adult General Education classes and upon the fourth (4) consecutive absence for career/technical education classes. Students who fail to report to class during the first three (3) days of their initial registration will be withdrawn as a *no-show*. Students may also officially withdraw by notifying the registrar.

## FINANCIAL AID INFORMATION

### FINANCIAL AID

All students who plan to enroll in career/technical education classes at The English Center are encouraged to complete the Free Application for Federal Student Aid, (FAFSA) for the current year. The federal school code for TEC is 035704, and the application can be accessed at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Students are required to complete a new FAFSA for each academic year. Some of the financial aid applications are randomly selected for a verification process.

All financial aid at TEC is need-based assistance. For students to be eligible for federal financial aid, such as the Pell Grant, they must be enrolled in a career/technical education program of 600 or more clock hours of instruction. For students to be eligible for a Florida Student Assistance Grant (FSAG), students must be enrolled at TEC in a career/technical education program of 450 or more clock hours of instruction. District Financial Aid Programs (DFAP) and Fee Waiver aid programs are also available on a limited basis. Eligibility for these funding sources is dependent on completing the FAFSA application for student aid. Deferments are given for tuition and some fees. Students are responsible for purchasing their books, supplies, and uniforms. Qualified Pell Grant recipients may receive textbooks as part of the award. For students to maintain all types of financial aid, students must maintain a Satisfactory Academic Performance (SAP). Financial assistance is available in the Financial Aid Office, located in the Registration Department. Adult General Education (AGE) programs and courses are not specifically offered for job entry or advancement. Therefore, they are not accredited by the Council on Occupational Education (COE) and do not qualify for Title IV financial aid assistance.

### GENERAL ELIGIBILITY REQUIREMENTS

In order to participate in the Pell Grant financial aid program, a student must comply with the following eligibility requirements:

1. Hold United States citizenship or United States permanent resident status.
2. Hold a high school diploma or high school diploma from a foreign country.
3. Be enrolled in a certificate program consisting of at least 600 or more clock hours of instruction for federal financial aid. Students enrolled in programs of less than 600 hours may be eligible for district financial aid and FSAG.
4. Make satisfactory progress in academics and attendance.
5. Not be in default or owe a refund for any aid previously received.
6. Sign a statement certifying non-participation in any drug related activity.
7. Register with the United States Selective Service, if required to do so by federal law.

### FINANCIAL AID STANDARDS OF ACADEMIC PROGRESS

Miami-Dade County Public Schools in conjunction with federal regulations has established the following standards of academic progress, which must be met to continue receiving financial assistance. These standards become effective when the student starts the program, not when the student applies for financial aid. For returning students the standards start the first day the student enters the class in the following trimester.

- A. To make satisfactory progress a student must meet the following standards:

The Satisfactory Academic Progress Report must be utilized by the financial aid officer in order to document and monitor a student's progress at the completion of each payment period. The Satisfactory Academic Progress Report Form (FM 5431) is completed by the career/technical education teacher and returned to the financial aid officer. It will indicate the student's current attendance data, as reflected in FOCUS and the pace towards program completion, as well as the student's current grade based on weekly academic assessments derived from class/shop work, externships, and other practicum experiences which appear in FOCUS, a web based integrated software system to manage student data. The school's registrar will confirm a student's attendance to ensure completion of the scheduled number of hours enrolled.

The Satisfactory Academic Progress criteria that are expected from all students are as follows:

- Satisfactorily attain a minimum grade of "C" or better or GPA of 2.0 and above;
- Satisfactorily complete outcomes at a rate to finish the program within their individual timeframe of enrollment;
- Successfully complete 67% of the maximum scheduled hours for which the student is enrolled.

If a student fails to make satisfactory academic progress as reflected on the Satisfactory Academic Progress Report, a meeting will be held with the student and the financial aid officer. The student will be placed on *financial aid warning* for one payment period and will be ineligible to receive financial aid. The financial aid officer will closely monitor the student's progress and if the student regains satisfactory academic progress while on *financial aid warning*, the student will be considered as being in academic compliance, and the student's eligibility will be reinstated.

If the student fails to achieve a Satisfactory Academic Progress Report, while on *financial*

*aid warning*, the student will be notified of the cancellation of the financial aid award. The student will have the opportunity to appeal such action and can submit a Financial Aid Student Appeals form (FM 6863) obtained from the financial aid officer in order to request an appeal. All requests for appeal will be heard by the school's Financial Aid Appeals Committee which will be comprised of an administrator, a financial aid officer, a guidance counselor, and the respective career/ technical education teacher. The committee will convene as needed and will carefully review all information and documentation related to the student's appeal. The committee will render a written decision to the student within 48 hours of the appeal hearing using the Student Appeals form (FM 6863). The decisions of the Financial Aid Appeals Committee are final.

If the student's appeal is approved, a meeting will be held with the student and the financial aid officer, and the student will then be placed on *financial aid probation* status for one payment period. Reinstatement of a student's financial aid after an appeal is denied can only be attained if the student attends a trimester without financial assistance and achieves satisfactory academic progress for that payment period. Students will be entitled to one (1) appeal hearing during the entire length of the student's program.

The financial aid officer and the career/technical education teacher will work together to closely monitor a student's progress when on *financial aid probation*. Should the student regain satisfactory academic progress during the next evaluation, the student will be considered in academic compliance and eligibility will be reinstated. If a student does not make satisfactory academic progress while on *financial aid warning* or *financial aid probation*, a meeting will be held with the student and the financial aid officer and the student will be informed that the student will not be eligible for the payment period following the "unsatisfactory" Academic Progress Report. The student will be financially responsible for the academic expenses until the student has successfully reestablished satisfactory academic progress.

A student who exceeds the maximum hours of eligibility will be considered as not making satisfactory academic progress and will no longer be eligible for financial aid. Through the consistent and daily use of FOCUS, the school district's data warehouse system, the financial aid officer will be able to effectively monitor all student's hours and academic grades in order to make the necessary satisfactory academic progress determination.

A student is considered as ineligible when it becomes mathematically impossible for the student to complete the program within 150% of the length of the program.

A student who transfers will have the hours and grades earned at the previous school counted towards the student's satisfactory academic progress.

If a student withdraws, the existing hours and grades upon re-entering will be counted towards the student's satisfactory academic progress.

Awards will be recalculated when needed, in order to ensure proper compliance with Satisfactory Academic Progress.

- B.** The number of trimesters a student will be eligible to receive Pell Grant financial aid will be limited by the number of hours required to complete the program.

Length of Program (Hrs.)	Maximum Trimesters of Eligibility
600	2
750	3
1050	6
1200	4

If a student exceeds the maximum trimesters of eligibility as defined in the above chart, the student will be considered as not making satisfactory progress and will no longer be eligible for Pell Grant financial aid. Additionally, a student is allowed to transfer programs once. A student will lose eligibility for financial aid if the

student transfers more than allowed.

### C. Appeals Concerning Unsatisfactory Progress

If notified that financial aid is cancelled, the student has the opportunity to appeal such action. The appeal should be in writing and include the following documents:

1. A letter by the student describing mitigating circumstances
2. A physician's note and/or medical records if the appeal is based on a medical reason
3. Any additional supporting documents

The decision of the appeals committee is final. A student will receive written notification of the decision. After an appeal is denied, reinstatement is possible if a student attends one trimester without financial assistance and maintains satisfactory progress for that trimester. A student may be granted only one appeal during the entire program of study.

### D. Verification

Federal regulations require that TEC validates income and other information reported on the Pell Grant Student Aid Report (SAR) with the parent's/student's IRS Transcript and attached schedules. When discrepancies occur, the corrected SAR must be resubmitted to the federal processor. The Financial Aid Office reserves the right to require other documentation when deemed necessary before the student becomes eligible for a Pell Grant.

### E. Pell Grant Disbursements

Pell Grant aid will be disbursed each trimester based on the number of clock hours of instruction students complete in a trimester. A book voucher can be requested if a student is enrolled ten days before the beginning of class. This benefit is available to new students in the 2020-2021 school year. Subsequent payments are contingent upon the students' maintaining satisfactory academic progress. Students can only receive Pell Grants for a maximum of six (6) years.

**General Disbursement Times for Pell Grant Recipients**

Program	Program Hours	First Payment	Second Payment	Third Payment
<a href="#">Heating, Ventilation, Air-Conditioning/Refrigeration (HVAC/R)1</a>	750	375	375	-
<a href="#">Cosmetology</a>	1200	450	450	300
<a href="#">Early Childhood Education</a>	600	300	300	-
<a href="#">Digital Design 1</a>	600	300	300	
<a href="#">Digital Design 2</a>	600	300	300	
<a href="#">Network Systems Administration</a>	1050	450	450	150

Multiple disbursements may be made within a single payment period.

**TUITION/FEES**

Tuition and special fees are collected at the time of registration for classes. All fees are collected each trimester. Cash or credit cards are acceptable forms of payment. Florida residents who enroll in Adult General Education (AGE) classes such as Citizenship, English for Speakers of Other Languages (ESOL), Adult Basic Education (ABE) and General Education Development (GED), in preparation for taking the GED test to obtain a high school diploma, or remediation of basic skills for career/technical education training are charged tuition fees. The State of Florida determines the range per contact hour and The School Board of Miami-Dade County sets the actual amount, subject to change annually. The amount of tuition varies based on student contact hours. Rates per contact hour for the 2020-2021 school year are as indicated in the Tuition/Fee Schedule below.

**2021-2022  
TUITION/FEE SCHEDULE**

**Resident**

(In-State=12 consecutive months of FL residency)  
 Career/Technical Certificate ..... \$ 2.56/hour-  
 based on 900 hours of attendance per year plus  
 applicable fees

**Non-Resident**

(Out-of-State=Less than 12 consecutive months of  
 FL residency)  
 Career/Technical Certificate ..... \$ 10.25/hour-  
 based on 900 hours of attendance plus applicable  
 fees.

Resident (In-State) Adult General Education (per  
 trimester) ..... \$ 30.00

Non-Resident (Out-of-State) Adult General  
 Education (per trimester)..... \$ 30.00

Testing fee for Adult General Education (per  
 trimester) ..... \$ 5.00

Student Identification (ID) badge or replace lost  
 Student ID badge (per trimester) ..... \$ 5.00

Trimester in Career/Technical Education application  
 fee (except tuition exempt students) ..... \$15.00

When student fees are paid by credit card, the name  
 and address of the registering student must match the  
 credit card information.

**Other Fees/Costs**

Other fees/costs such as textbooks and uniforms vary  
 according to the program. A fee is charged for  
 duplicate transcripts and certificates.

**TUITION FEE WAIVERS**

Tuition fee waivers may be granted to financially  
 needy students. A Free Application for Student  
 Financial Aid (FAFSA) must be on file. In order to  
 qualify, the student cannot receive financial aid from  
 any other source. A fee waiver application must be  
 submitted each trimester. In addition, the applicant  
 must provide documentation verifying financial  
 need.

## REFUND POLICY

In the event a student elects to withdraw, the following M-DCPS refund policy applies:

- Students will be eligible for a full refund of Post-secondary Career/Technical Education tuition and fees if the student is withdrawn within 5 (five) days of the class start date.
- Students will be eligible for a full refund of Adult General Education tuition, test fees and ID fees prior to the start of the AGE class or if the student never attends the class.
- Students will be eligible for a partial refund of Postsecondary Career/Technical Education tuition fees up to 5 (five) days after the class start date. The partial refund amount will be equivalent to the total of class hours not attended. There will be no partial refund of Adult General Education fees.
- Partial payments made for Postsecondary Career/Technical classes are NON-Refundable after the start of class.
- Students will be eligible for a refund of fees for Postsecondary Career/Technical Education courses less than three (3) weeks or ninety (90) hours in duration if the request for withdrawal is made prior to the second course meeting.
- A student is entitled to a full or partial refund of tuition fees if a course is cancelled by the school principal or designee.
- Refunds when due, can be made without a request from a student. The refund must be made within forty-five (45) days of the student's withdrawal date.
- The "Application for Refund by Check/Credit" (Form-2057, Rev. 05-20) must be completed and approved for all eligible refunds.
- Students withdrawn for disciplinary reasons pursuant to the Adult Student Code of Conduct are not entitled to a refund of any tuition and fees.
- In cases of unusual or extraordinary circumstances (such as illness, death in family, etc.) that prevent a student from attending class, the school principal/designee may honor a request for full or partial refund of fees provided that:
  - the request from the student is made in writing (does not apply to students enrolled in a COE accredited CTE program);
  - and when appropriate, supporting documentation should be provided;

If the refund results in a failure to satisfy State fee requirements, the student shall not be reported for membership during the Workforce Education Fund survey period in the course for which the refund was given.
- Students who withdraw from their program while receiving Title IV (Pell Grant) funds, will receive a refund based on the Federal post-withdrawal calculation formula. For additional information, see the Financial Aid Office.
- When a student's fees are subsidized by an agency and the student withdraws, the agency can submit a written request for refund only if the student's hours of attendance are less than 50% of the course scheduled hours.

### SKILLS FOR ACADEMIC, VOCATIONAL, AND ENGLISH STUDIES (SAVES)

The SAVES program pays:

- Tuition fees for SAVES qualified students who register in Adult General Education (AGE) classes including ESOL, ABE, GED, and Citizenship.
- Scholarship payments for up to three (3) trimesters for eligible students enrolled in a career/technical education program including books and supplies.
- Students who have lived in Florida less than one (1) year or cannot establish Florida residency must enroll in a course or courses that total 24 hours per week.

Services are terminated after a student:

- Has spent five (5) years in the United States
- Has not progressed and repeated the AGE class three (3) times
- Has completed his/her education goals
- Has become a United States citizen
- Has relocated outside the service area
- Requests to be taken out of the program

## ACADEMIC POLICIES

### GRADING SYSTEM

GRADE	NUMERIC VALUE	INTERPRETATION	GRADE POINT VALUES
<i>A</i>	<i>90 - 100%</i>	<i>Outstanding</i>	<i>4</i>
<i>B</i>	<i>80 - 89%</i>	<i>Good</i>	<i>3</i>
<i>C</i>	<i>70 - 79%</i>	<i>Satisfactory</i>	<i>2</i>
<i>D</i>	<i>60 - 69%</i>	<i>Minimal; improvement needed</i>	<i>1</i>
<i>F</i>	<i>0 - 59%</i>	<i>Unsatisfactory</i>	<i>0</i>
<i>I</i>	<i>0%</i>	<i>Incomplete (secondary only)</i>	<i>0</i>

A majority of the career/technical education programs are competency based and use a variety of means to assess students' mastery of the program including competency checklists, written tests, performance tests, and student portfolios, where warranted. A final grade is given at the time an Occupational Completion Point (OCP) is earned.

### PROBATION

All Success Pathways students are admitted into the program on a probationary basis. Referrals of students by instructors to counselors can include reasons such as tardiness, lack of attendance, poor performance, and in-class disruption. If a student is placed on probation, it will extend for the remainder of the enrolled trimester.

### PROGRESS RECORDS

Hours of attendance and earned OCP's summaries for students enrolled in career/technical education programs can be obtained through FOCUS, a web based integrated software system that provides data in a timely and user-friendly manner.

Verification of enrollment and hours of attendance and an earned Literacy Completion Points (LCP's) summary for students enrolled in Adult General Education (AGE) classes can be obtained through FOCUS.

Grades and transcripts for career/technical education students completing OCP's or an entire program are kept by the CTE registrar with the Certificate Request Clearance Packet. Grades for completion of OCP's are manually posted in the FOCUS system by the CTE registrar. In addition, career/technical education instructors report their students' attainment of competencies and grades in FOCUS.

Students who have completed career/technical education program hours within a Florida public school system may transfer the hours. All others, upon providing a transcript or evidence of mastery of specific competencies, may be advanced in their program of study based on the assessment of the instructor.

## TEST OF ADULT BASIC EDUCATION (TABE)

Students who want to enter career/technical education programs but have not met the minimum basic skills levels established by the State of Florida for completion of their career/technical education program, may register for remediation in Adult Basic Education (ABE) classes and/or Applied Academics for Adult Education (AAAE) offered as an online program concurrently with or prior to the career/technical education program.

For students who enroll in a career/technical education program, consisting of 450 clock hours or more in length are also required to take the TABE upon entry into their program of study. The basic skills testing in mathematics, language, and reading must be completed no later than six weeks from the time of entry. TEC uses the Test of Adult Basic Education (TABE) for all basic skills testing. Students must be administered a basic skills test, unless they meet one of the following exceptions:

- Students who possess a college degree at the associate of applied science level or higher
- Students who entered 9<sup>th</sup> grade in a Florida public school in the 2003- 2004 school year, or any year thereafter, and earned a Florida standard high school diploma or a student who is serving as an active-duty member of any branch of the United States Armed Services will not be required to take the common placement test and will not be required to enroll in developmental education
- Students who pass a state or national industry certification or licensure examination identified in State Board of Education rules and aligned to the career as delineated in The Basic Skills Licensure Exemption List found at [www.fldoe.org](http://www.fldoe.org).
- Students enrolling in job preparatory programs of less than 450 clock hours of instruction

Every school year the State of Florida submits updates to the TABE exemption list based on industry licensure exams.

## APPLIED ACADEMICS FOR ADULT EDUCATION (AAAE)

Applied Academics for Adult Education (AAAE) is taught through The Learning Center (TLC) as an online program which provides basic skills remediation for career/technical education students. A state approved standardized examination is used to determine the students' strengths and weaknesses in reading, language, and mathematics. This type of remediation assists students in meeting the adult basic education Test of Adult Basic Education (TABE) requirements for the receipt of a career/technical education certificate. Students may enroll voluntarily. Students whose test scores fall one or two grade levels below the career/technical education program's basic skills requirement are required to remediate in the Applied Academics for Adult Education (AAAE) program by the time of completion of the career/technical education program.

## LICENSURE PROGRAMS

Currently, the programs requiring licensure to enter the workforce are Cosmetology, Facials Specialty, Nails Specialty, and Early Childhood Education. Licensure information is submitted to the Commission on Occupational Education (COE) as part of the institution's annual report.

## **STUDENTS' RIGHTS**

### **STUDENT RIGHT-TO-KNOW AND CAMPUS SECURITY ACT OF 1990**

The Student Right-To-Know Act requires institutions to disclose specific information on the general student population. The Campus Security Act of 1990 (The Cleary Act) requires all post-secondary institutions participating in federal student aid programs to disclose campus security policies and certain crime statistics which are posted on the school's website.

### **GRIEVANCE PROCEDURE FOR STUDENTS**

The English Center participates in Federal student aid programs that are authorized under Title IV of the Higher Education Act of 1965. Participating institutions must be legally authorized to operate with the state in which it is located.

Title 34 CRF §600.9 requires states to have a "process to review and appropriately act on complaints concerning the institution including enforcing applicable State laws." Title 34 CFR §668.43(b) requires that institutions: "make available for review to any enrolled or prospective student upon request, a copy of the documents describing the institution's accreditation and its state, federal, or tribal approval or licensing. The institution must also provide its students or prospective students with contact information for filing complaints with its accreditor and with its State approval or licensing entity and any other relevant state official or agency that would appropriately handle a student's complaint."

To comply with this regulation, The English Center makes every effort to resolve student complaints internally. When questions about school policies, procedures, decisions, or judgments arise, students are urged to discuss the situation with their immediate instructor or staff member. Counselors are available

for further discussions and resolution of differences. Students may formally appeal the process with the principal. Students are urged to review the Student Handbook and the Postsecondary Code of Student Conduct available in the student services office, on the school's website, and via the instructors in the classrooms. Unresolved complaints may also be filed with the district office or the accrediting agency, once all other avenues have been exhausted.

The following steps must be followed for any issue regarded as a level one student grievance.

1. A student will first discuss the situation with The English Center (TEC) instructor.
2. If a resolution is not reached within five days, the student will document the problem in writing to the appropriate administrator.
3. A conference will be scheduled, and a decision rendered
4. If the resolution is not agreed upon, the grievance is sent to the principal.
5. If the grievance is not settled at the school, the student has the right to appeal to the following entities:

**Adult, Technical Colleges and Educational  
Opportunity and Access**

Miami-Dade County Public Schools  
1450 NE Second Avenue  
Miami, Florida 33132

*If the grievance is unresolved, the student has  
the right to appeal to:*

**Commission of the Council on  
Occupational Education (COE)**

7840 Roswell Road Building 300, Suite 325  
Atlanta, Georgia 30350  
Telephone: (800) 917-2081  
Fax: (770) 396-3790  
www.council.org

## DISCRIMINATION/HARASSMENT: COMPLAINT PROCEDURE FOR STUDENTS

A student who has a reasonable and good-faith belief of being the subject of discrimination, bullying, or harassment because of gender, race, color, religion, ethnic or national origin, political beliefs, marital status, age, sexual orientation, social and family background, linguistic preference, pregnancy, or disability shall proceed to file a complaint within 30 days of the alleged discriminatory act(s) with the following steps:

1. If the student is not satisfied with the disposition of the grievance at level one involving the assistant principal, within five (5) days the student shall communicate in writing the allegation(s) to the school principal.
2. If the student does not feel comfortable discussing the complaint at the school or region office, the student may file the complaint directly with the district Civil Rights Compliance (CRC) office.
3. Because of the sensitive nature of sexual harassment complaints, students may file such a complaint directly with the district CRC office.
4. If the complaint is submitted to the principal, the principal will be responsible for scheduling a meeting with the complainant. In the event that the complaint involves the student's principal, the student may go directly to the next level of administration, the District Director of School Operations, Adult and Community Education
5. If the complaint is not resolved to the complainant's satisfaction after discussion with the principal, or cannot be resolved at that level, the student may appeal to the next administrative level, the District Director of School Operations, Adult and Community Education.
6. If the complaint is not satisfactorily resolved at the second level of administration, as determined by the student, the complainant may file a complaint with the School Board's Office of Civil Rights Compliance (CRC). The student will be requested to provide the School Board's CRC office signed, specific information regarding the discriminatory or harassing action(s) or inaction(s), the basis such as age, race, or disability for the action(s) or inaction(s), the alleged offender(s), witnesses, and other pertinent information.
7. If the student does not agree with the final determination made by the School Board's CRC office, the complainant may appeal the determination to the Superintendent of School's designee to hear such appeals by submitting a letter of appeal within 15 workdays of the date of the final determination.
8. Failure on the part of the student to initiate and/or follow-up on a complaint in a timely manner may result in the complaint being considered abandoned.
9. In general, students shall continue attendance at school and pursue their studies, as directed, while a complaint is pending resolution.
10. Records of an ongoing investigation shall remain confidential and not subject to disclosure pursuant to Chapter 119, Florida Statutes until a final determination is made on the case.
11. The address of the CRC office is as follows:
 

**Nicole B. Rutherford, Executive Director &  
District Title IX Coordinator  
M-DCPS Office of Civil Rights Compliance**  
155 NE 15th Street, Suite P104E  
Miami, Florida 33132  
Telephone: 305-995-1580

*If the complaint is unresolved, appeal to:*

**Commission of the Council on  
Occupational Education (COE)**  
7840 Roswell Road Building 300, Suite 325  
Atlanta, Georgia 30350  
Telephone: (800) 917-2081  
Fax: (770) 396-3790  
[www.council.org](http://www.council.org)

## STUDENT RECORDS

Miami-Dade County Public Schools maintains educational records in accordance with state and federal laws. Educational records are maintained to facilitate the instruction, guidance, and educational progress of students in programs operated under the authority and direction of the School Board of Miami-Dade County. These records include the data necessary to facilitate the orderly educational progress of students as stated in School Board Policy 8330, Student Records. The document Student Educational Records, published by the M-DCPS Division of Student Services, contains the guidelines and district directives regarding student records and outlines the rights accorded eligible students.

## AMERICANS WITH DISABILITIES ACT

The English Center complies with the Americans with Disabilities Act (ADA), which protects citizens of the United States who possess physical or mental disabilities. The school complies with Section 504 of the Vocational Rehabilitation Act Amendments of 1973, which states that “no otherwise qualified handicapped individual in the United States shall, solely by reason of his/her handicap, be excluded from the participation in, be denied the benefit of, or be subjected to discrimination under any program or activity receiving federal financial assistance.” If it is determined that an individual is a qualified person with a disability, a guidance counselor will develop a 504 Accommodation Plan to ensure equal access to the instructional programs.

## STUDENT CONDUCT

The primary objective of The English Center and Miami-Dade County Public Schools is to develop each student's potential for learning and to foster positive interpersonal relationships. To accomplish this objective, it is necessary that the school environment be free from disruptions that interfere with teaching and learning activities. Student conduct determines to a great extent the full development of the potential for learning and the development of positive relationships. A positive learning environment provides order and discipline, as evidenced by the absence of distractions and disruptions that interfere with the effective functioning of the student, the class, and the school. It is also the presence of a safe and friendly, yet

business-like atmosphere, in which students and school personnel work cooperatively toward mutually recognized and accepted goals.

A *Post-Secondary Student Code of Conduct* has been developed by the school district to ensure that students have an environment conducive to learning. Some of the behaviors that will be considered grounds for disciplinary action and/or dismissal from the program include the following:

- Refusing to comply with the student identification (ID) policy to visibly wear a badge on campus
- Using profane or indecent language and/or displaying such behavior
- Using improper conduct resulting in a disruption anywhere on the school premises
- Defacing or destruction of public property
- Attending classes under the influence of alcohol, illegal drugs/substances, or the possession of either
- Smoking including the use of an electronic cigarette on school grounds
- Tampering with fire equipment, safety, and evacuation signs, or setting off a fire alarm
- Possessing firearms, knives, explosives, or incendiary materials. Weapons, including licensed, concealed weapons, are prohibited, except when in the possession of law enforcement officers during the execution of their official duties

*\* Note: This list is not all-inclusive. Additional information regarding the Post-Secondary Student Code of Conduct can be found under Student Resources at [www.tecmiami.com](http://www.tecmiami.com).*

## STUDENT DRESS CODE

It is essential that students dress appropriately for the world of work. Because the primary purpose of The English Center is to prepare students for employment, students are required to be neat and clean in appearance. Items of dress that pose a risk to health and safety, cause classroom disruption, or create objectionable noise are forbidden. Students must adhere to the following specific regulations concerning dress:

- No metal cleats on shoes, no clogs, flip flops, sandals, bedroom slippers or other shoes without back straps. Safety shoes are recommended in shop areas.
- No written messages or pictures or symbols on clothing which portray ideas which may be harmful to the health, safety, and welfare of students such as messages related to drugs, smoking, alcohol, sex, and profanity.
- No mini-shorts, micro-mini-skirts, cut-offs or oversized pants, tank tops, tube tops, see-through blouses without a camisole or whole slip, bare backs, bare midriffs, or plunging neck lines.
- No hats or bandanas in the classroom except for religious purposes.
- Students enrolled in a career/technical program wear uniforms or apparel suitable to the training.

## ADULT GENERAL EDUCATION (AGE)

Adult General Education (AGE) courses provide students with the opportunity to improve the level of literacy skills required to lead productive lives. Students perform and progress at their own rate depending on ability, levels of achievement, and academic and career/technical education goals. Instruction is individualized in order to meet the needs of the students. Because AGE programs are not specifically offered for job entry or advancement, they are not accredited by the Council on Occupational Education (COE) and do not qualify for Title IV financial aid assistance.

## ADMISSION REQUIREMENTS

The Test of Adult Basic Education (TABE) is a required examination to ensure placement in the appropriate level in Adult Basic Education (ABE) and General Education Development (GED) preparation classes. The Comprehensive Adult Student Assessment System (CASAS) test is required for appropriate placement in the English for Speakers of Other Languages (ESOL) program and the Citizenship program. Students must be at least 16 years of age and not currently enrolled in any secondary Miami-Dade County Public School in order to enroll in all Adult General Education classes.

## LENGTH OF COURSE

ABE - reading/writing/math - variable length  
Citizenship - one trimester

ESOL - one trimester minimum per level

GED - one trimester minimum

Online Education (The Learning Center) – varies by program

## COST

Adult General Education courses will be assessed a block tuition fee as follows:

- In-state tuition (resident) rate will be \$30.00 per trimester.
- Students must pay a required \$5.00 fee for a student identification (ID) badge and its renewal, as well as a \$5.00 testing fee each trimester, and must also purchase textbooks and workbooks for the classes in which they are registered.

## ADULT BASIC EDUCATION (ABE)

Adult Basic Education courses provide basic literacy, mathematics, and writing skills to those students who are performing below ninth grade level. Instruction is delivered in the areas of reading, mathematics, and language. The emphasis of these courses is to assist adults to function in today's competitive society, to prepare for the GED test in order to receive a high school diploma, and to encourage further educational endeavors in order to increase employment opportunities.

## ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

English for Speakers of Other Languages (ESOL) courses assist students in developing literacy skills which in turn help students communicate in English, succeed in career/technical education programs, find, and keep a job, and advance in a chosen career. There are six consecutive levels of language instruction in ESOL. These levels are configured logically and sequentially for language acquisition.

### GENERAL EDUCATIONAL DEVELOPMENT PROGRAM (GED)

The General Education Development Program prepares students to take the GED test. Passing the GED test, results in awarding the students a State of Florida high school diploma. Florida residents, at least 18 years of age at the time of application, who perform at the ninth grade level or higher as measured by the Test of Adult Basic Education (TABE) are eligible to register for the GED preparation class. The GED test which is offered in English and in Spanish is comprised of four content areas: Reasoning through Language Arts (150 minutes), Mathematical Reasoning (115 minutes) Science (90 minutes), and Social Studies (70 minutes). A test candidate 16 or 17 years old may take the GED test battery if legally withdrawn from high school and meeting specific criteria including parental consent, or if granted a waiver by the school district. Students can study online through The Learning Center (TLC) or in a classroom setting.

### SKILLS FOR ACADEMIC VOCATIONAL AND ENGLISH STUDIES (SAVES)

SAVES Program is a free of charge educational program designed to meet the instructional and employment needs of eligible adult (16+) refugees/asylees from all over the world. The program helps to facilitate the transition of participating students into the South Florida community by providing quality services. Further information can be found on our website under the Students section and/or visiting the SAVES office on campus in Room F-4.

### TECHNOLOGY SUPPORT FOR ADULT GENERAL EDUCATION (AGE)

English for Speaker of Other Languages (ESOL) students have access to computers for instructional purposes in order to get additional practice in reading, listening, and speaking English. Through the use of a variety of software programs including Burlington English, Cambridge Ventures/Arcade, and All-Star students view mini-videos, listen, repeat, record words, phrases, and sentences and interact with the program to complete multiple-choice, true/false, matching, and fill-in-the-blank exercises.

Adult Basic Education (ABE) classes have computers available for students to get practice in reading, language, and mathematics through the use of Instruction Targeted for TABE Success (ITTS) and Paceware. With these software programs, students' complete exercises which prepare them to pass the Test of Adult Basic Education (TABE) and the opportunity to take the career/technical education class of their choice.

***CAREER/TECHNICAL  
EDUCATION  
PROGRAMS***

## ARCHITECTURE AND CONSTRUCTION CAREER CLUSTER

### HEATING, VENTILATION, AIR- CONDITIONING/REFRIGERATION (HVAC/R) 1 C400410 CIP 0615010111

#### PROGRAM OBJECTIVE

The purpose of the Heating, Ventilation, Air-Conditioning/ Refrigeration (HVAC/R) 1 program is to prepare students for employment or advanced training in the heating, air-conditioning, refrigeration, and ventilation industry.

#### PROGRAM STRUCTURE

The program focuses on broad, transferable skills, stresses the understanding of the heating, air-conditioning, refrigeration, and ventilation industry, and demonstrates elements of the industry such as planning, management, finance, technical and production skills, underlying principles of technology, and health, safety, and environmental issues.

#### INSTRUCTION CONSISTS OF

Course No.	Course Title and Occupational Completion Points (OCPs)	Total Hours
ACR0000 SOC 49-9021	Introduction to HVAC/R (OCP A)	250
ACR0001 SOC 49-9021	HVAC/R Fundamentals (OCP B)	250
ACR0012 SOC 49-9021	HVAC/R Service Practices (OCP C)	250

#### LABORATORY ACTIVITIES

Laboratory activities are an integral part of this program. These activities include instruction in the use of safety procedures, tools, equipment, materials, and processes related to these occupations. Equipment and supplies are provided to enhance hands-on experiences for students.

#### ENTRANCE REQUIREMENTS

- Interview with a counselor
- Take Basic Skills test within six weeks of entering the program
- Be at least 16 years old and officially withdrawn from high school

#### ENTRANCE DATES

This program operates on an open-entry/open-exit basis. Students may enter the program anytime during the school year.

#### LENGTH OF PROGRAM: 750 hours

#### DAY/TIME PROGRAM OFFERED

Mon. - Thurs. 6:00 PM - 10:15 PM  
Saturday 8:00 AM - 3:30 PM

#### BASIC SKILLS REQUIREMENTS

The minimum basic skills grade levels required for adult career/technical students to complete this program are the following:

Mathematics **10** Language **9** Reading **9**

#### INFORMATION TECHNOLOGY REQUIREMENT

- Basic computer skills

#### EMPLOYMENT REQUIREMENTS

- Employers often give preference to applications who complete HVAC training
- Environmental Protection Agency (EPA) Certificate
- Students are strongly recommended to earn HVAC Excellence Certificates

#### CAREER OPPORTUNITIES

Commercial Service Tech, Sales A/C, Heating or Refrigeration Equipment Technician

#### SALARY

According to the 2020 Bureau of Labor Statistics, the median pay for a Heating, A/C and Refrigeration Mechanic and Installer was \$50,590 per year or \$24.32 per hour.

**ART, A/V TECHNOLOGY AND  
COMMUNICATION  
CAREER CLUSTER**

DIGITAL DESIGN 1  
K700100  
CIP 0510030307

**PROGRAM OBJECTIVE**

The purpose of the Digital Design 1 program is to prepare students for employment in digital publishing positions, such as Information Technology Assistants, Production Assistants, Digital Assistant Designers, Graphic Designers, and Multimedia Designers.

**PROGRAM STRUCTURE**

The program focuses on developing students' specialized skills in multimedia presentations. Students receive practical experiences in computer generated art and text, graphic design, graphic production, electronic design skills, preparation of electronic layouts and illustrations, and electronic scanning.

**INSTRUCTION CONSISTS OF**

Course No.	Course Title and Occupational Completion Points (OCPs)	Total Hours
OTA0040 SOC 15-1151	Information Technology Assistant (OCP A)	150
GRA0024 SOC 43-9031	Production Assistant (OCP B)	150
GRA0025 SOC 43-9031	Digital Assistant Designer (OCP C)	300

**LABORATORY ACTIVITIES**

Laboratory activities are an integral part of this program. These activities include instruction in the use of safety procedures, tools, equipment, materials, and processes related to these occupations. Equipment and supplies are provided to enhance hands-on experiences for students.

**ENTRANCE REQUIREMENTS**

- Interview with a counselor
- Take Basic Skills test within six weeks of entering the program
- Be at least 16 years old and officially withdrawn from high school
- 

**ENTRANCE DATES**

This program operates on an open-entry/open-exit basis. Students may enter the program anytime during the school year.

**LENGTH OF PROGRAM: 600 hours**

**DAY/TIME PROGRAM OFFERED**

Mon.-Thurs. 8:00 AM - 12:00 PM  
Mon.-Thurs. 6:00 PM - 10:00 PM

**BASIC SKILLS REQUIREMENTS**

The minimum basic skills grade levels required for adult career/technical students to complete this program are the following:

Mathematics 9    Language 9    Reading 9

**INFORMATION TECHNOLOGY REQUIREMENT**

- Basic computer skills

**EMPLOYMENT REQUIREMENTS**

- Employers require applicants to hold a Digital Design I Completion Certificate and certification in graphic design software.
- Employers usually request a portfolio that demonstrates creativity and originality.

**CAREER OPPORTUNITIES**

Digital designer, graphic designer, IT assistant

**SALARY**

According to the 2020 Bureau of Labor Statistics, the median pay for graphic designers was \$53,380 or \$25.66 per hour.

DIGITAL DESIGN 2  
K700200  
CIP 0510030308

### PROGRAM OBJECTIVE

The purpose of the Digital Design 2 program is to prepare students for employment in digital publishing positions such as Information Technology Assistant, Production Assistant, Digital Assistant Designer, and Multimedia Designer.

### PROGRAM STRUCTURE

The program focuses on enhanced practical experiences in computer generated art and text, graphic design, graphic production, electronic design skills, preparation of electronic layouts and illustrations, electronic scanning, and development of specialized skills in multimedia presentations.

### INSTRUCTION CONSISTS OF

Course No.	Course Title and Occupational Completion Points (OCPs)	Total Hours
GRA0026 SOC 27-1024	Graphic Designer (OCP A)	300
GRA0027 SOC 27-1014	Media Designer (OCP B)	300

### LABORATORY ACTIVITIES

Laboratory activities are an integral part of this program. These activities include instruction in the use of safety procedures, tools, equipment, materials, and processes related to these occupations. Equipment and supplies are provided to enhance hands-on experiences for students.

### ENTRANCE REQUIREMENTS

- Interview with a counselor
- Take Basic Skills test within six weeks of entering the program
- Be at least 16 years old and officially withdrawn from high school

### ENTRANCE DATES

This program operates on an open-entry/open- exit basis. Students may enter the program anytime during the school year.

**LENGTH OF PROGRAM: 600 hours**

### DAY/TIME PROGRAM OFFERED

Mon.-Thurs. 8:00 AM - 12:00 PM  
Mon.-Thurs. 6:00 PM - 10:00 PM

### BASIC SKILLS REQUIREMENTS

The minimum basic skills grade levels required for adult career/technical students to complete this program are the following:

Mathematics 9 Language 9 Reading 9

### INFORMATION TECHNOLOGY REQUIREMENT

- Basic computer skills

### EMPLOYMENT REQUIREMENTS

- Employers require applicants to hold a Digital Design 2 Completion Certificate and certification in graphic design software.
- Employees usually request a portfolio that demonstrates creativity and originality.

### CAREER OPPORTUNITIES

Digital designer, graphic designer, multi-media designer

### SALARY

According to the 2020 Bureau of Labor Statistics, the median pay for graphic designers was \$53,380 or \$25.66 per hour.

**EDUCATION AND TRAINING  
CAREER CLUSTER**

**CHILD CARE CENTER OPERATIONS**
