MISSION STATEMENT

The mission of The English Center is to develop students' vocational, social, technological, physical, and emotional potential in a wholesome, self-paced, supportive environment. This endeavor encourages them to become lifelong learners and contributing, ethical citizens in a multi-cultural and changing world.

VISION STATEMENT

The English Center is a full-service adult education center that will continuously strive to provide access to challenging literacy, Career/Technical, and community education while building learning communities designed to maximize student success.

PROGRAM INFORMATION

ADULT GENERAL EDUCATION (AGE)

Adult General Education programs are designed to prepare individuals to acclimate into the community, enter a post-secondary education training, enhance employability skills, or prepare for entering the workforce. This program will help you to take the citizenship exam, learn English as a second language, and/or prepare you for the GED® or a High School Diploma.

AGE programs are not specifically offered for job entry or advancement, as they are not accredited by the Council of Occupational Education (COE) and do not qualify for Title IV financial aid assistance.

ADULT BASIC EDUCATION (ABE) PROGRAMS

Adult basic education courses provide basic literacy, mathematics, and writing skills to those students who are performing below ninth-grade level. Instruction is delivered in the areas of reading, math, and language. The emphasis of these courses is to assist adults to function in today's competitive society, to encourage further educational endeavors, and to improve employment opportunities.

APPLIED ACADEMICS FOR ADULT EDUCATION (AAAE)

Applied Academics for Adult Education (AAAE) is taught through The Learning Center (TLC) as an online program that provides basic skills remediation for career/technical education students. A state-approved standardized examination is used to determine the student's strengths and weaknesses in reading, language, and mathematics. This type of remediation assists students in meeting the adult basic education Test of Adult Basic Education (TABE) requirements for the receipt of a career/technical education certificate. Students may enroll voluntarily. Students whose test scores fall one or two grade levels below the career/technical education program's basic skills requirement are required to remediate in the Applied Academics for Adult Education (AAAE) program by the time of completion of the career/technical education program.

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

These courses assist students in developing English literacy skills which will help students communicate in English, be successful in career/technical programs, find and keep a job, and advance in their chosen careers. There are five consecutive levels of language instruction in ESOL and an additional work-related course. These levels are configured logically and sequentially for language acquisition. Students will be tested for proper placement and must successfully pass the exit test to move to the next course level.

GENERAL EDUCATION DEVELOPMENT (GED) PREPARATION

This program prepares students for the GED test. Students who pass the test receive a high school diploma. The test consists of the following content areas: Reading Through Language Arts, Mathematical Reasoning, Science, and Social Studies. Students who perform at the ninth-grade level or higher as measured by the Test of Adult Basic Education (TABE) are eligible to register for the GED preparation class.

CAREER/TECHNICAL EDUCATION PROGRAMS

TEC offers competency-based career/technical certificate programs as part of Florida's comprehensive workforce development education program.

Competency-based education is highly individualized with the following characteristics:

- Occupation-based competencies (on the job skills and knowledge.)
- Evaluation-based performance
- Open-entry and open-exit for most programs
- Ongoing classes, year-round, variable learning time (Proceed at your own pace.)

TEC offers career/technical education programs in the following areas:

Architecture and Construction

Heating, Ventilation, Air-Conditioning/Refrigeration (HVAC/R) 1

Art, A/V Technology and Communication

Digital Design 1

Digital Design 2

Education and Training

Child Care Center Operations

Early Childhood Education

Human Services

Cosmetology

Facials Specialty

Nails Specialty

Information Technology

Network Systems Administration

INTEGRATED EDUCATION AND TRAINING (IET)

Integrated Education and Training is a service approach that provides adult education and literacy activities concurrently and contextually with workforce preparation activities and workforce training for a specific occupation or occupational cluster for the purpose of educational and career advancement" (Final WIOA regulations at [34 CFR §463.35](#)).

BASIC SKILLS REQUIREMENTS

Students who enroll in a career/technical program offered for 450 or more clock hours of instruction shall complete the entry-level examination within the first six (6) weeks of admission into the program, as per State Board Rule 6A-10.40 FAC unless exempted. Exemptions include:

- a. Possess a college degree at the associate in applied science (AAS) level or higher;
- b. Demonstrate readiness for public postsecondary education pursuant to S.1008.30 F.S. and applicable rules adopted by the State Board of Education;
- c. A student who entered 9th grade in a Florida public school in the 2003-2004 school year, or any year thereafter, and earned a Florida standard high school diploma or a student who is serving as an active-duty member of any branch of the United States Armed Services shall not be required to take the common placement test and shall not be required to enroll in developmental education instruction in a Florida College System institution;
- d. Pass a state or national industry certification or licensure examination that is identified in State Board of Education rules and aligned to the CTE program in which the student enrolled; or
- e. Is enrolled in an apprenticeship program that is registered with FDOE in accordance with Chapter 446

The purpose of testing is to determine the extent of basic skills mastery and to provide remediation if necessary. At The English Center, the Test of Adult Basic Education (TABE) is administered to determine the basic skills level of incoming career/technical education students. The basic skills requirement is not used to deny entry or placement in a career/technical program. Students entering career/technical programs who have not met the basic skills requirements may register for remediation concurrently with their program in the online Applied Academics for Adult Education (AAAE) Program. The AAAE online course provides individualized remediation based on the needs of each student.

BOOKSTORE

A currently enrolled student may purchase books, school supplies, and other school-related items in the school bookstore. A valid student identification badge (ID) and the student's current schedule are required to make purchases. The bookstore is located in the "H" building. Hours of operation are Monday - Thursday 8:30 a.m. to 8:30 p.m., and on Fridays, Saturdays, and Sundays from 8:30 a.m. to 12:00 p.m. Cash, credit cards (Discover, MasterCard, and Visa), and debit cards are accepted. Vending machines and microwave ovens are conveniently located across from the "B" building in the dining courtyard. A variety of snacks and cold beverages are available for purchase.

STUDENTS WITH DISABILITIES

TEC strives to provide a holistic educational and career/technical experience that prepares the student to be mainstreamed into the general population. It is TEC's belief that students with disabilities are best served by placing them into existing classes. Therefore, there are no classes or laboratories specially designed for these students. Community-based organizations such as Vocational Rehabilitation and The Division of Blind Services may fund eligible students who attend The English Center. Students must see a guidance counselor for more information about available programs and services in the Guidance Office.

FINANCIAL AID

Several types of financial aid are available to students who are eligible. Financial assistance is offered depending on financial needs and availability of funds. Students enrolled in career/technical education programs which are at least 600 hours or more in length may apply for a Pell Grant or Supplemental Education Opportunity Grant in the Financial Aid Office. Students classified as refugees, asylees, or parolees from any part of the world, or parolee entrants (only students from Cuba or Haiti) may qualify for assistance from Skills for Academic, Vocational, and English Studies (SAVES), a federally funded program. Financial aid is also available through various agencies. Students enrolled in programs of less than 600 hours may be eligible for district financial aid (DFAP or Fee Waiver) and FSAG.

GENERAL INFORMATION

ACCESSIBILITY

Physical and wheelchair accessibility throughout the campus has been facilitated by the provision of ramps, curb cuts, lowered water fountains, and wide restroom stalls.

ADMISSIONS

Any person 16 years of age or older, officially withdrawn from the K-12 program in Miami-Dade County Public Schools, may enroll in the programs offered. As one of the Miami-Dade County Public Schools, The English Center adheres to a policy of non-discrimination and strives affirmatively to provide equal opportunity to all potential and current students. Any individual with physical or mental disorders applying for admission will be referred to Vocational Rehabilitation or other appropriate agencies which will work closely with the school in determining when the individual is ready to be accepted for admission to the adult program.

AMERICANS WITH DISABILITIES ACT

The English Center complies with the Americans with Disabilities Act (ADA), which protects citizens of the United States who possess physical or mental disabilities. The school complies with Section 504 of the Vocational Rehabilitation Act Amendments of 1973, which states that "no otherwise qualified handicapped individual in the United States shall, solely by reason of his/her handicap, be excluded from the participation in, be denied the benefit of, or be subjected to discrimination under any program or activity receiving federal financial assistance." If it is determined that an individual is a qualified person with a disability, a guidance counselor will develop a 504 Accommodation Plan to ensure equal access to the instructional programs.

ATTENDANCE

All students are expected to attend class regularly and as scheduled. Attendance is maintained by the teacher on a daily basis through an electronic grade book. Students who fail to report to class during the first three (3) days of their initial registration will be withdrawn as a *no-show*. All Adult General Education and Career/Technical Education students who accumulate six (6) consecutive absences will be withdrawn from class. Attendance records are kept by the teacher on a daily basis. Excessive tardies and absences that interfere with academic progress may be grounds for disciplinary action. Students may be withdrawn due to repeated absences according to M-DCPS guidelines.

CODE OF CONDUCT

The primary objective of The English Center and Miami-Dade County Public Schools is to develop each student's potential for learning and to foster positive interpersonal relationships. To accomplish this objective, it is necessary that the school environment be free from disruptions that interfere with teaching and learning activities. Student conduct determines to a great extent the full development of the potential for learning and the development of positive relationships. A positive learning environment provides order and discipline, as evidenced by the absence of distractions and disruptions that interfere with the effective functioning of the student, the class, and the school. It is also the presence of a safe and friendly, yet business-like atmosphere, in which students and school personnel work cooperatively toward mutually recognized and accepted goals.

A *Post-Secondary Student Code of Conduct* has been developed by the school district to ensure that students have an environment conducive to learning. Some of the behaviors that will be considered grounds for disciplinary action and/or dismissal from the program include the following:

- Refusing to comply with the student identification (ID) policy to visibly wear a badge on campus
- Using profane or indecent language and/or displaying such behavior
- Using improper conduct resulting in a disruption anywhere on the school premises
- Defacing or destruction of public property
- Attending classes under the influence of alcohol, illegal drugs/substances, or the possession of either
- Smoking including the use of an electronic cigarette on school grounds
- Tampering with fire equipment, safety, and evacuation signs, or setting off a fire alarm
- Possessing firearms, knives, explosives, or incendiary materials. Weapons, including licensed, concealed weapons, are prohibited, except when in the possession of law enforcement officers during the execution of their official duties

The Post-Secondary Code of Student Conduct can be found at <https://www.tecmiami.com/pdfs/STUDENT-HANDBOOK-2023-2024.pdf>

DISCRIMINATION/HARASSMENT: COMPLAINT PROCEDURE FOR STUDENTS

A student who has a reasonable and good-faith belief of being the subject of discrimination, bullying, or harassment because of gender, race, color, religion, ethnic or national origin, political beliefs, marital status, age, sexual orientation, social and family background, linguistic preference, pregnancy, or disability shall proceed to file a complaint within 30 days of the alleged discriminatory act(s) with the following steps:

8. Failure on the part of the student to initiate and/or follow-up on a complaint in a timely manner may result in the complaint being considered abandoned.
9. In general, students shall continue attendance at school and pursue their studies, as directed, while a complaint is pending resolution.
10. Records of an ongoing investigation shall remain confidential and not subject to disclosure pursuant to Chapter 119, Florida Statutes until a final determination is made on the case.

EMERGENCY PROCEDURES - STANDARD RESPONSE PROTOCOL In the event of an emergency, the Standard Response Protocol (SRP) procedures will be implemented. The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. The "SRP" utilizes clear common language while allowing for flexibility in protocol. The "SRP" is based on five (5) specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive". Execution of the action is performed by active participants, including students, teachers, staff, and first responders. The "SRP" is based on the following actions: HOLD, SECURE, LOCKDOWN, EVACUATE, and SHELTER.

>HOLD (In your classroom or area)

Students are trained to: Clear the hallways and remain in their area or room until the "All Clear" is announced. Do business as usual.

Adults and staff are trained to: Close and lock the door; Account for students and adults; Do business as usual.

>SECURE (Get inside, lock outside doors)

SECURE is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked.

Students are trained to: Return to inside of building. Do business as usual.

Adults and staff are trained to: Bring everyone indoors; Lock the outside doors; Increase situational awareness; Account for students and adults; Do business as usual.

>LOCKDOWN (Locks, lights, out of sight)

A LOCKDOWN is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence. A LOCKDOWN is only initiated when there is an active threat inside or very close to the building.

Students are trained to: Move away from sight. Maintain silence. Do not open the door.

Adults and staff are trained to: Recover students from hallway if possible; Lock the classroom door; Turn out the lights; Move away from sight; Maintain silence; Do not open the door; Prepare to evade or defend.

>EVACUATE (To a location)

Students are trained to: Leave stuff behind if required to. If possible, bring their phone. Follow instructions.

Adults and staff are trained to: Bring roll sheet and "Go Bag" (unless instructed not to bring anything with them, dependent on reason for evacuation).

Lead students to evacuation location. Account for students and adults.

>SHELTER (State hazard and safety strategy. Hazards might include Tornado or Hazmat. Safety strategies might include: Evacuate to shelter area; Seal the room; Drop, cover, and hold; Get to high ground.)

Students are trained in: Appropriate hazards and safety strategies.

Adults and staff are trained in: Appropriate hazards and safety strategies; Accounting for students and adults.

FILLED CLASSES

Because some classes are filled to capacity, a courtesy list of eligible students is maintained for some programs. Prospective students may not be advanced on that list even though they have previous training in that subject. Students will be notified as openings become available.

GRADING SYSTEM

GRADE	NUMERIC VALUE	INTERPRETATION	GRADE POINT VALUES
<i>A</i>	<i>90 - 100%</i>	<i>Outstanding</i>	<i>4</i>
<i>B</i>	<i>80 - 89%</i>	<i>Good</i>	<i>3</i>
<i>C</i>	<i>70 - 79%</i>	<i>Satisfactory</i>	<i>2</i>
<i>D</i>	<i>60 - 69%</i>	<i>Minimal; improvement needed</i>	<i>1</i>
<i>F</i>	<i>0 - 59%</i>	<i>Unsatisfactory</i>	<i>0</i>
<i>I</i>	<i>0%</i>	<i>Incomplete (secondary only)</i>	<i>0</i>

Most of the career/technical education programs are competency based and use a variety of means to assess students' mastery of the program including competency checklists, written tests, performance tests, and student portfolios, where warranted. A final grade is given at the time an Occupational Completion Point (OCP) is earned.

GRADUATION

Those students, who have successfully completed a course of study or career / technical education program leading to a certificate or have earned a high school diploma, are entitled, and encouraged to participate in the graduation ceremony.

GRIEVANCE PROCEDURES FOR STUDENTS

The English Center participates in Federal student aid programs that are authorized under Title IV of the Higher Education Act of 1965. Participating institutions must be legally authorized to operate with the state in which it is located.

Title 34 CRF §600.9 requires states to have a “process to review and appropriately act on complaints concerning the institution including enforcing applicable State laws.” Title 34 CFR §668.43(b) requires that institutions: “make available for review to any enrolled or prospective student upon request, a copy of the documents describing the institution’s accreditation and its state, federal, or tribal approval or licensing. The institution must also provide its students or prospective students with contact information for filing complaints with its accreditor and with its State approval or licensing entity and any other relevant state official or agency that would appropriately handle a student’s complaint.”

To comply with this regulation, The English Center makes every effort to resolve student complaints internally. When questions about school policies, procedures, decisions, or judgments arise, students are urged to discuss the situation with their immediate instructor or staff member. Counselors are available for further discussions and resolution of differences. Students may formally appeal the process with the Director. Students are urged to review the Student Handbook and the Postsecondary Code of Student Conduct available in the student services office, on the school's website, and via the instructors in the classrooms. Unresolved complaints may also be filed with the district office or the accrediting agency, once all other avenues have been exhausted.

The following steps must be followed for any issue regarded as a level one student grievance.

1. A student will first discuss the situation with The English Center (TEC) instructor.
2. If a resolution is not reached within five days, the student will document the problem in writing to the appropriate administrator.
3. A conference will be scheduled, and a decision rendered
4. If the resolution is not agreed upon, the grievance is sent to the Director.
5. If the grievance is not settled at the school, the student has the right to appeal to the following entities:

**Administrative Director
Office of Postsecondary Career and Technical Education
School Operations
Miami-Dade County Public Schools
1450 N.E. 2nd Avenue
Miami, Florida 33132
Phone: 305-995-1000**

This must be done within five (5) school days after the decision from level two.

The English Center is accredited by the Commission of the Council on Occupation Education. Concerns that cannot be resolved with the school and/or district, may be referred to:

STUDENT ACCIDENTS AND ILLNESSES

The main office must be notified in the event of a student accident or illness at the time it occurs. The English Center will provide assistance by calling the emergency contact person or emergency rescue if needed. No medication can be administered to a student by school staff. If emergency fire rescue transports a student, it will be at the expense of the student.

STUDENT IDENTIFICATION

A valid school identification badge (ID) must be worn visibly at all times by all students. The badge must be shown upon request by school officials. Student ID badges are obtained by paying a \$5.00 fee each trimester at the time of registration.

STUDENT ACADEMIC RECORDS

If a student is more than 18 years old, information concerning that student will not be released to parents without the consent of the student. For additional information regarding access to student records, refer to the Family Educational Rights and Privacy Act (FERPA), which can be viewed in the registration department or <https://www.dadeschools.net/pdf/PrivacyAct.pdf>.

TRANSCRIPTS

Upon request by students, for a fee, TEC provides for any Career Technical Education (CTE) program an official [Student Transcript](#) and a copy of the [School Electronic Transcript](#). Student Transcripts include enrollment programs (courses) of study, period of enrollment, earned Occupational Completion Points (OCP's), [industry certification obtained](#), grades to demonstrate competency, and the program credential awarded. Any student may request this information from the CTE registrar's office by completing a [Transcripts/Duplicate Certificate Request Form](#). A Student requesting to have their records forwarded to another party will complete an [M-DCPS Permission for Release of Records and/or Information from Records Form](#), which states to whom the records are to be released. All requests are granted in a timely manner.

TRANSFER POLICY

Students may transfer from one program to another program within the institution or from other institutions by obtaining the recommendation of an instructor or counselor and administrative approval when necessary. Transferring students are assessed by instructors in order to determine their highest achieved competency.

TUITION / FEES

Tuition for classes is collected at the time of registration. Fees are collected each trimester. The amount of tuition varies according to student contact hours. The State of Florida determines the amount per contact hour, and this amount, which is published in the School Catalog, is subject to change. Section 239.117 (a), Florida Statutes, provides legislative policy for determining fees for workforce development programs. In addition, public school districts and colleges may collect up to an additional ten percent for financial aid purposes. Checks are not accepted for payment of any fees, but cash or credit cards (Discover, MasterCard, and Visa) are accepted with proper identification.

UNIFORMS

In certain Career/Technical Education (CTE) programs, students are required to purchase and wear designated industry uniforms.

USE OF ELECTRONIC EQUIPMENT

Permission to record in class must be obtained from the individual instructor. Electronic equipment such as cellular phones or radios are disruptive to the educational process and must be off and out-of-sight during the instructional period.

VISITORS

Anyone who is not currently enrolled in the school must check-in and obtain a visitor's pass in the Main Entrance Gate.
