HOT OFF THE WIRE

It is with much excitement that we step into the 2023-2024 school year, which promises to be one of abundant accomplishments and successes. As we look to the future, let's focus on **engaging** and **empowering** experiences – on how we can engage students in a meaningful way and one another in a collaborative and understanding manner.

We have the power to enhance the student experience as a whole and cultivate a respectful workplace where new ideas and diversity are embraced. Each of us plays a vital role in preparing our students for life as responsible and active citizens. We are one unified force. Miami-Dade County Public Schools (M-DCPS) is building the next generation of leaders and great thinkers with your valuable input.

Here's to another stellar school year for **M-DCPS, your best choice!**

iLead

"iLead to foster equitable learning opportunities for my students. Because iLead, my students know they are valued and that having a growth mindset can help them achieve their most sought out dreams."

— Franquiana Williams
Grades 4 & 5 ELA, Frederick Douglass ES
2023 M-DCPS Rookie Teacher of the Year

BODY & MIND

Cardiovascular exercises (cardio) can not only help you get in shape but it can also help lower your blood pressure, strengthen your immune system, and improve your sleep and mental health.

KnowBe4
Human error. Conquered.

- **Hispanic Heritage Month** begins Friday, September 15

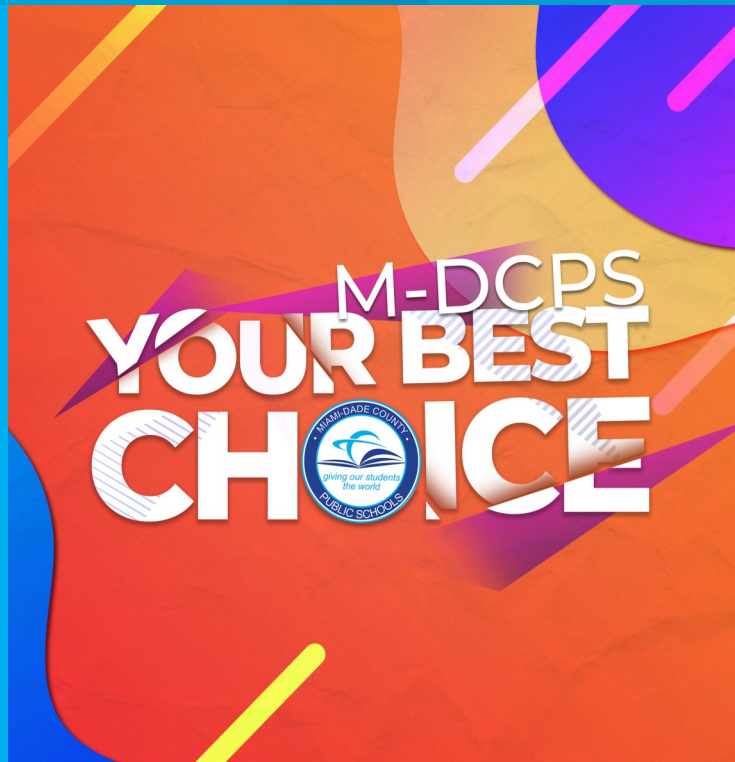

ABOVE & BEYOND

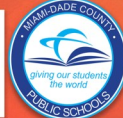

Ramonda Gordon is an Activities Director at D.A. Dorsey Technical College. Committed to the students, she has introduced state industry certified testing, open houses and spirit weeks. Devoted to the school culture, she has coordinated cookouts, school rallies, recruiting events, and much more. Ms. Gordon's steadfast support of the school community has earned her the most Employee of the Month votes in the D.A. Dorsey family.

Your Best Choice

A pioneer in educational equity, magnet programming, and innovation through technology, M-DCPS is an A-rated school district and the 3rd largest in the nation. But, beyond the accolades, we are a school district steadfast in its commitment to giving our students the world. This fall, we've launched the M-DCPS Your Best Choice campaign to highlight the many reasons we are the superior choice in education. Thank you for being a beacon of light that leads our families to **M-DCPS, your best choice!**

A Flavorful History

Join M-DCPS in celebrating Hispanic Heritage Month 2023 with recipes that celebrate a timeless intercontinental fusion of flavors. Iberian and Maghrebi cuisines, enriched with Central and South American Indigenous influence, are packed with beneficial nutrients and support better heart health, weight loss, good digestion, brain function, and reduced cancer risk. Read more about this in our **BigFig District blog** posts, produced in collaboration with our on-site Registered Dietician Health Coaches. ¡Buen provecho!
